**Mga gawain na dapat na ugaliin,
ngayong panahon ng COVID-19.**

Mga pag-iingat na gawain na **kailangan patuloy at walang palya** nating isabuhay, upang **maiwasan ang pagkahawa at pagkalat** ng COVID-19.

Challenges

- being the pilot LGU is a challenge by itself
- Manpower
- Cold chain
- vaccination sites (some under construction)
- profiling (sudden changes in priority groups)
- screening (no specific guidelines yet from DOH per vaccine)
- don't know what vaccine will come first
- don't know when vaccine will come
- don't know how many vaccines will come
- some people want a specific brand

THANK YOU!
